Subject: Freedom of Information request - Sunday Independent

To whom it may concern:

I would like to request the following information under the Freedom of Information Act.

I would like copies of inspection reports and follow-up inspection reports of all embassies since January 2012.

Contact me if the information I am seeking is outside the terms of the act and/or will incur substantial search and retrieval fee. I would like to modify the request so it is kept within the terms of the act.
