HORGEN, MEILEN  
UND FÄHRE

## CÉILÍ DANCE, BAGPIPES AND WIND ENSEMBLE

An evening in the tradition of Celtic music

The "Musig am Zurisee" Festival will take place from 27 May to 5 June in Meilen and Horgen and on the ferry. "Just Good Music" is just what the festival offers, with numerous highlights – from Jan Josef Liefers by way of Rykka and a funk night to free concerts on the village squares.

The Celtic Night brings together three great formations which display the great diversity of Celtic music. Harmoniemusik Helvetia Horgen, with over fifty active members, is teaming up with the Zurich Caledonia Pipe Band. The songs are chosen to enable the large ensemble to harmonise perfectly with the pipers and drummers.

The Kilfenora Céilí Band has been a cult institution in Ireland for 105 years. The 19-piece band is flying in specially from Dublin, with strings, singers and dance couples. These icons of traditional Irish music will inspire one and all with their céilí dance!
